

## Paranormal Case: Apparition Form

This form only needs to be completed if an apparition has been seen at the location being investigated. If you have witnessed multiple apparitions, please complete an additional form for those. Even though your answer may be a simple 'yes' or 'no', we have provided additional room if you have details to add.

What were you doing prior to the moment you saw the apparition?

**When you saw the apparition, where were you?**

**What was it that brought the apparition to your attention?**

**Are you able to say the gender of the apparition?**

**Male**

**Female**

**Unknown**

**Could you provide an approximate age?**

**Can you explain what he or she wore?**

**Was he or she solid or easy to see through?**

**For how long has the apparition been visible?**

**Did he/she say anything to you, and if so, did you say something back?**

**Did you seem to have been noticed by the apparition, or did he or she seem remote, as if he or she was not aware of you?**

**Have you had any other strange incidents during the time you viewed the apparition, such as electrical glitches, flashing lights, shifting objects, etc?**

**Was there something that struck you as odd about the apparition or as a feature you noticed?**

**During the sighting, were any animals present? What was their reaction, if so?**

**Has anyone else seen the apparition?**

**Are there any occurrences that you considered odd or peculiar that accompanied the apparition?**

**Have you drawn any personal conclusions about who may have been an apparition?**

**Has someone else on a separate occasion witnessed the apparition themselves?**

**Can you provide a written description of the apparition or possibly sketch what the apparition looked like?**

**This completes the survey. If there are more apparitions to report, please complete a separate form for each encounter. Thank you!**
